Finding a Guardian Dental Provider

Go to www.guardiananytime.com

On top of the screen, click on “Find A Provider”

Click on “Find a Dentist” box

Click on “Select Your Dental Plan”

If you are enrolling in prepaid plan:

Enter your location

Select “Managed Dental Care”

Complete your search and determine the office # for the dentist you choose: the office # is listed right after the dentist’s name in each dentist’s description **Omit the zeros and put the last 4 digits of the number for the dentist you select on the enrollment form** in the “Pre-Paid Office #” boxes at far right end of “Employee Name” line.

If you are enrolling in PPO plan, you do NOT have to indicate any dentist on the enrollment form. If you care to review providers:

Follow the steps above for getting to “Select Your Dental Plan”.

Enter your location and select “PPO”
