ACE Examination Satisfied: Yes No

Thesis Title: _____

FINANCIAL SUPPORT: (Stipend and Health Insurance is provided by Major Sponsor).

In accordance with the existing agreement for this student, the major sponsor will be responsible for the student's stipend and student fees (including health insurance) for the duration of her/his PhD training. The Graduate School will pay the stipend and fees, and the major sponsor's institution will reimburse the Graduate School. The reimbursement plan must be developed with the sponsor, the institution, and the Graduate School Finance Manager before the student begins in absentia status.

While in absentia, students may enroll in academic coursework elsewhere. All coursework, to be counted towards the students' degree, must be pre-approved by their WCGS program.
